PRESIDENTS' MESSAGE

Carolyn and I were honoured to have been asked to be President of the 2019 St. Clears YFC Agricultural Show.

Having moved to St. Clears in late 1967, I joined the YFC. My first involvement with the show was in 1968 when it was held in mid-August sandwiched between the United Counties and Pembrokeshire County Show behind the Railway Inn, St Clears.

Every evening on the week prior to the show was spent preparing the field which was thirsty work, so we often ended up in one of St. Clears' twelve public houses. On the day I was assistant steward to one of the several dairy breeds being shown, general dogs' body and run around.

Over the following years the show has moved to various venues namely Bryncaerau fields then a short spell in Pant Farm, Meidrim then back to Bryncaerau then onto the United Counties showground.

I became more involved with the committee, seeing all the work that went on behind the scenes not just the week before the show but all through the year. I often helped organise the show dance, which was held in the Farmers Co-Op store, now Spar car park.

In the late 70's and 80's I'm afraid I didn't have much to do with the show mainly due to having established our Quarry Brown Swiss herd. In the early 90's we supported the show by exhibiting. With T.B. permitting we have been doing so to this day.

These days with all the red tape and T.B., showing is not an easy task. Without exhibitors in all classes, Cattle, Sheep, and Horses the show would not survive.

They are an essential part of the show together with Trade Stands, Vintage, Dog Show and the Craft and Horticultural sections.

The other reason the show survives is the dedication of the committee, they have kept the show alive for the last 140 years. They always need fresh blood, hopefully coming from the YFC (after all it is the YFC Show) with new outlooks and ideas, so please give a little time and maybe in the future our grandchildren will be celebrating the 200th St Clears YFC Agricultural Show.

Wishing everyone a successful and enjoyable day and we look forward to seeing new and old faces on Saturday, 15th June 2019.

Alun & Carolyn Davies, Show Presidents

YOUR CO-OPERATION IS GREATLY APPRECIATED

The Show Committee acknowledges the support and loyal assistance of a great many members or voluntary helpers who have given their time prior to and on the show day itself. Without such dedicated people, the Show would most definitely not be able to provide such an event.

We wish to thank the local communities of St. Clears for their continued support and enthusiasm over the years. As an agricultural show, members are only too aware that we must adapt to the ever increasing changes within rural life and as such we have endeavoured again this year to provide a full and varied programme.

***Diolch i chi am eich cefnogaeth hael a mwynhewch eich diwrnod gyda ni.
The Show Committee is always grateful for any form of sponsorship that we receive.***

IMPORTANT NOTICE

THE ST CLEARS YFC AGRICULTURAL SHOW IS EXEMPT FROM PRE-MOVEMENT TESTING

The St. Clears YFC Agricultural Show Committee has been advised by the Welsh Government that there are changes to the Pre-Movement Testing Policy in Wales which will come into force in mid May 2013. This exemption only applied when the animal returns to its original farm or is taken directly to slaughter.

We have been asked by the Welsh Government to let exhibitors know about the intended change in policy and to stress that:

- ☆ The Exemption from Pre-Movement Testing remains for shows where the cattle are not housed and are present for less than 24 hours.
- ☆ Pre-Movement Testing is required where cattle are moved to shows that are held on multiple days and/or where cattle are housed.
- ☆ Any show where animals are sold or moved to premises other than the premises of origin or direct slaughter, continue to require Pre-Movement Testing, as before.

AND THAT

- ☆ Bovine TB has significant potential to disrupt and cause long lasting financial consequences to your business, so prevention from infection should always be your priority.
- ☆ All Cattle owners are recommended to undertake Pre-Movement Testing and ideally also voluntary post-movement testing of animals, to safeguard the health and high value of stock attending shows.

It is the committee's intention to include a full schedule for cattle, sheep and horses at the 2019 show.

PLEASE SUPPORT YOUR LOCAL SHOW

The St. Clears YFC Agricultural Show confirms that it will undertake to comply with all rules and conditions and obtain the necessary licence to hold these sections in accordance with the Animal Health Act and Orders appertaining at the time of the Show. Please make sure that you are fully aware of all conditions that will prevail on show day. Please ensure that your livestock vehicles are clean. Unclean vehicles will be refused entry into the show.
