YOUR CO-OPERATION IS GREATLY APPRECIATED

The Show Committee acknowledges the support and loyal assistance of a great many members or voluntary helpers who have given their time prior to and on the show day itself. Without such dedicated people, the Show would most definitely not be able to provide such an event.

We wish to thank the local communities of St. Clears for their continued support and enthusiasm over the years. As an agricultural show, members are only too aware that we must adapt to the ever increasing changes within rural life and as such we have endeavoured again this year to provide a full and varied programme.

***Diolch i chi am eich cefnogaeth hael a mwynhewch eich diwrnod gyda ni.
The Show Committee is always grateful for any form of sponsorship that we receive.***

IMPORTANT NOTICE

THE ST CLEARS YFC AGRICULTURAL SHOW IS EXEMPT FROM PRE-MOVEMENT TESTING

The St. Clears YFC Agricultural Show Committee has been advised by the Welsh Government that there are changes to the Pre Movement Testing Policy in Wales which will come into force in mid May 2013. This exemption only applied when the animal returns to its original farm or is taken directly to slaughter.

We have been asked by the Welsh Government to let exhibitors know about the intended change in policy and to stress that:

- ☆ The Exemption from Pre Movement Testing remains for shows where the cattle are not housed and are present for less than 24 hours
- ☆ Pre-movement Testing is required where cattle are moved to shows that are held on multiple days and/or where cattle are housed.
- ☆ Any show where animals are sold or moved to premises other than the premises of origin or direct slaughter, continue to require Pre-Movement Testing, as before.

AND THAT

- ☆ Bovine TB has significant potential to disrupt and cause long lasting financial consequences to your business, so prevention from infection should always be your priority.
- ☆ All Cattle owners are recommended to undertake Pre-Movement Testing and ideally also voluntary post-movement testing of animals, to safeguard the health and high value of stock attending shows.

It is the committee's intention to include a full schedule for cattle, sheep and horses at the 2016 show.

PLEASE SUPPORT YOUR LOCAL SHOW

The St. Clears YFC Agricultural Show confirms that it will undertake to comply with all rules and conditions and obtain the necessary licence to hold these sections in accordance with the Animal Health Act and Orders appertaining at the time of the Show. Please make sure that you are fully aware of all conditions that will prevail on show day. Please ensure that your livestock vehicles are clean. Unclean vehicles will be refused entry into the show.
