PRESIDENTS' MESSAGE 2025

Roger Morse and Heather Davies

It is such an honour to be asked to be presidents of St Clears YFC Agricultural Show this year and would like to take this opportunity to congratulate Mr Haydn Lloyd of 'All-Pumps' for his excellent work as President last year.

Cowindale Feeds was established over 25 years ago. Starting off at the home farm, Capel Farm, in a small shed on the yard. My Parents bought an adjoining farm, Penbontbren Farm in the 80's and we soon saw potential to build a new site for Cowindale at Penbontbren. We finally moved over in 2004, and we have fortunately grown from strength to strength. We are so grateful to all our customers, new and old, who have faithfully supported us over the years and some from the start.

It's going to be another tough year for farmers with costs going up constantly. An extra challenge is the changes to inheritance tax imposed by the government and also a reduction by the government of support for the agriculture industry.

St Clears Show is a great opportunity for the local community and the farming community to come together to celebrate and show what farming has to offer. A huge thank you to all the members of the St Clears Show committee over the years for all their sterling hard work in successfully staging their show at the United Counties Showground. The show could not succeed without the loyal support of all the sponsors, trade stand holders and competitors, without which, of course there would not be no show, and we are so grateful for the supporters who look forward to attending the show every year.

There is a very warm welcome to all our customers and friends to join us in the president's marquee for refreshments. We are really looking forward to welcoming you.

Fel Llywydd, mae Roger a Heather yn edrych ymlaen at fod yn rhan o'r Sioe a chroesawu ein cwsmeriaid a ffrindiau i'r "marquee" neu babell. Gobeithio cawn ni ddiwrnod bendigedig!

Roger Morse a Heather Davies

THE ST CLEARS YFC AGRICULTURAL SHOW IS EXEMPT FROM PRE-MOVEMENT TESTING

The St. Clears YFC Agricultural Show Committee has been advised by the Welsh Government that there are changes to the Pre Movement Testing Policy in Wales which will come into force in mid May 2013. This exemption only applied when the animal returns to its original farm or is taken directly to slaughter. We have been asked by the Welsh Government to let exhibitors know about the intended change in policy and to stress that:

The Exemption from Pre Movement Testing remains for shows where the cattle are not housed and are present for less than 24 hours Pre-movement Testing is required where cattle are moved to shows that are held on multiple days and/or where cattle are housed.

Any show where animals are sold or moved to premises other than the premises of origin or direct slaughter, continue to require Pre-Movement Testing, as before.

AND THAT

Bovine TB has significant potential to disrupt and cause long lasting financial consequences to your business, so prevention from infection should always be your priority. All Cattle owners are recommended to undertake Pre-Movement Testing and ideally also voluntary post-movement testing of animals, to safeguard the health and high value of stock attending shows.

CATTLE PASSPORTS

Passports (CPP 1 or CPP 13) are required for all bovines born on, or after 1st July 1996. The passport must accompany the animals and remain on the Showground for the duration of the animals' attendance. The movement to and from the Show should be entered on the passport

LIVESTOCK BOXES WILL BE CHECKED AT MAIN GATE PLEASE SUPPORT YOUR LOCAL SHOW

The St. Clears YFC Agricultural Show confirms that it will undertake to comply with all rules and conditions and obtain the necessary licence to hold these sections in accordance with the Animal Health Act and Orders appertaining at the time of the Show. Please make sure that you are fully aware of all conditions that will prevail on show day. Please ensure that your livestock vehicles are clean. Unclean vehicles will be refused entry into the show.

YOUR CO-OPERATION IS GREATLY APPRECIATED

The Show Committee acknowledges the support and loyal assistance of a great many members or voluntary helpers who have given their time prior to and on the show day itself. Without such dedicated people, the Show would most definitely not be able to provide such an event.

We wish to thank the local communities of St. Clears for their continued support and enthusiasm over the years. As an agricultural show, members are only too aware that we must adapt to the ever-increasing changes within rural life and as such we have endeavoured again this year to provide a full and varied programme.
